
Wilco - Sky Blue Sky

C Am Dm F C

^C
Oh, the band marched on in formation
^{Dm} The brass was phasing tunes I couldn't place
^{F7} Windows open and raining in
^{Em} ^{Am}
Maroon, yellow, blue, gold and gray

^C The drunks were ricocheting
^{Dm} The old buildings downtown
^G
Empty so long ago
^{F7} Windows broken and dreaming
^{Em} ^{Am}
^{Dm} ^F ^C
So happy to leave what was my home

^G
With a sky blue sky
^{G7}
This rotten time
^{Am} ^{Dm}
Wouldn't seem so bad to me now
^G
Oh, I didn't die
^{G7}
I should be satisfied
^{Am}
I survived
^{Dm}
That's good enough for now
