If you close the door

        Cm   F
The night could last forever

              A#   G7
Leave the sunshine out

        Cm   F
And say hello to never

              A#   A#7
All the people are dancing and they're having such fun

     D#   D#m
I wish it could happen to me

              A#   G7
But if you close the door

           Cm   F   A#
I'd never have to see the day again

        A#   G7
If you close the door

        Cm   F
The night could last forever

              A#   G7
Leave the wine glass out

            Cm   F
And drink a toast to never

      A#   A#7
Oh, someday I know someone will look into my eyes

              D#   D#m
And say hello you're my very special one

              A#   G7
But if you close the door

           Cm   F   A#
I'd never have to see the day again
